Amendment Under 37 CFR §1.111
S/N: 10/714,672

REMARKS

Claims 21-24 are all the claims presently pending in the application. Claims 1-20, the subject of the recently-received Decision on Appeal, have been canceled. New claims 21-24 are added.

It is noted that Applicants specifically state that no amendment to any claim herein should be construed as a disclaimer of any interest in or right to an equivalent of any element or feature of the amended claim.

New claim 21 is based on previous claim 1, as modified to incorporate previous claim 19, which was not rejected in the Decision on Appeal. New claim 22 is based on previous claim 7, similarly not rejected in the Decision on Appeal. Also, new claim 23 is based on previous claim 10, as modified by previous claim 20, which was not rejected in the Decision on Appeal. New claim 24 is based on previous claim 16, not rejected in the Decision on Appeal.

In view of the foregoing, Applicant submits that claims 21-24, all the claims presently pending in the application, are patentably distinct over the prior art of record and are in condition for allowance. The Examiner is respectfully requested to pass the above application to issue at the earliest possible time.

Should the Examiner find the application to be other than in condition for allowance, the Examiner is requested to contact the undersigned at the local telephone number listed below to discuss any other changes deemed necessary in a telephonic or personal interview.

The Commissioner is hereby authorized to charge any deficiency in fees or to credit any overpayment in fees to Attorney's Deposit Account No. 50-0481.

Respectfully Submitted,

Date: 05/21/08
